Investment Strategy	<p>The investment strategy of the Scheme is as follows:</p> <ul style="list-style-type: none"> ➤ The Scheme is a large and mid cap equity fund. Within the broader market, the Scheme expects to invest in Large Cap and Mid Cap companies as defined above. The Scheme will invest in equity and equity related instruments of medium and small enterprises of Indian corporates with high management credentials. Special focus will be given to strong corporate governance. ➤ The fund management style will be opportunistic with regard to market capitalization and not from a thematic or sector perspective. Approach to investments in mid-cap stocks would be based on long term compounding stories at reasonable prices. Long term horizon enables the portfolio to ride the economic / business cycle and to overlook volatility in short term due to external factors. ➤ The Scheme would focus on blue-chip companies with sound financials and market leadership while investing in large cap stocks, and on companies which are likely to have a higher growth element due to their small size and potential for higher product penetration, increasing efficiency and improvement in cash flows, while investing in mid cap stocks. ➤ Portfolio construction would entail top down approach towards deciding sector weights benchmarked against the index. Global and domestic economic, fiscal, forex, commodity and various other parameters will be evaluated. Thereafter, the direction of both global and domestic economy will be ascertained along with its impact on various sectors. ➤ Bottom up approach is used for identifying companies within the sector. We actively follow GARP strategy (Growth at Reasonable Price) where companies with a potential of above sector growth, improving efficiency and lower valuations are identified and evaluated for investment. Companies trading at a discount to their intrinsic value and have potential to turn around along with the cycle or because of its internal strength are considered to be value picks. Various fundamental and valuation parameters are considered in terms of revenue, assets and efficiency for identifying sectors and scrips which involves sales growth, Earnings Before Interest, Taxes, Depreciation and Amortization (EBITDA) margin, Profit After Tax (PAT) margin, Price to Earnings (PE) ratio, Price to Book (PB) ratio, EV/EBIDTA, Dividend Discount Model (DDM), economic value added, etc. 			
Risk Profile of the scheme	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Scheme specific Risk Factors are summarized below :-</p> <p>Risks associated with investing in equity and equity related securities</p> <ul style="list-style-type: none"> • Equity instruments carry both company specific and market risks and hence no assurance of returns can be made of these investments. • Equity and equity related securities are prone to daily price fluctuations and the liquidity of investments made in the Scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly due to unforeseen circumstances. The inability of the Scheme to make intended securities purchases, due to settlement problems, could cause the Scheme to miss certain investment opportunities. Likewise, the inability to sell securities held in the Scheme's portfolio could result, at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Scheme's portfolio. Also, the value of the Scheme's investments may be affected by interest rates, currency exchange rates, changes in laws/policies of the government, taxation laws and political, economic or other developments which may have an adverse bearing on individual securities, a specific sector or all sectors. 			

	<p>Risks associated with transaction in Units through Stock Exchange Mechanism</p> <p>Allotment and/or redemption of Units through NSE or BSE or any other recognized stock exchange on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing, settlement, etc., upon which the Scheme have no control. Moreover, transactions conducted through the stock exchange mechanism will be governed by the operating guidelines and directives issued by the relevant recognized stock exchange.</p> <p>Please read the SID carefully for details on risk factors before investment.</p>																																				
Risk management strategy	<p>Investment in equity and equity related securities carry various risks such as inability to sell securities, trading volumes & settlement periods, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification and hedging. Further, the portfolio of a Scheme will be constructed in accordance with the investment restrictions specified under the SEBI (Mutual Fund) Regulations, which would help in mitigating certain risks relating to investment in securities market.</p> <p>Investment in debt securities carries various risks such as inability to sell securities, trading volumes & settlement periods, interest rate risk, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification.</p>																																				
Plans and Options	<p>The Scheme will have two Plans : Regular and Direct.</p> <p>Direct Plan is meant for direct investments, i.e. for investors who purchase/subscribe to the units of the Scheme directly with the Fund and is not available for investors who route their investments through a Distributor, while the Regular Plan is meant for investors who route their investments through distributors only.</p> <p>Both Plans will have a common portfolio, but the Direct Plan will have a lower expense ratio on account of absence of brokerage and commission. Hence, both Plans will have distinct NAVs.</p> <p>Each of the Plans will have the following options:</p> <p>A. Growth Option (default option in case no option specified by investor);</p> <p>B. Dividend Option :</p> <p>a. Pay-out;</p> <p>b. Daily Net Asset Value (NAV)	<p>The first NAV will be calculated and announced within a period of 5 Business Days from the date of allotment. Subsequently, the NAVs of the Scheme will be calculated and declared on the close of each Business Day.</p> <p>The methodology of calculating the sale and repurchase price of units is given below:</p> <p>Subscription (Sale) Price = Applicable NAV * (1+Entry Load)</p> <p>E.g. If the Applicable NAV is ₹ 10, and Entry Load is 1%, then the subscription price will be: ₹ 10*(1+0.01) = ₹ 10.10</p> <p>Unit holders may note that the Regulations do not permit any Entry Load for subscription of Units, and accordingly, the subscription price will be the Applicable NAV.</p> <p>Redemption (Repurchase) Price = Applicable NAV * (1-Exit Load)</p> <p>E.g. If the Applicable NAV is ₹ 10, and Exit Load is 1%, then the redemption price will be: ₹ 10*(1-0.01) = ₹ 9.90.</p> <p>The AMC shall update the NAVs on the website of the Fund (www.barodamf.com) and of the Association of Mutual Funds in India - AMFI (www.amfiindia.com) on every Business Day. The same shall be made available to unit holders through SMS upon receiving a specific request in this regard.</p> <p>NAV's can also be viewed on www.barodamf.com and www.amfiindia.com.</p>

Investors (being individuals) applying for Micro SIP registrations are exempt from mandatory requirement of PAN submission. Such set of customers, however, need to complete the necessary KYC requirements, and get a unique reference number from the KRA's system called PAN Exempt KYC Reference No. (PEKRN).

INSTRUCTIONS FOR FILLING UP THE APPLICATION FORM (CONTD.)

A copy of the KRA issuance letter containing PEKRN should be attached with each application/ transaction.

- In the event of any Application Form being subsequently rejected for mismatch of applicant's PAN details with the details on the website of the Income Tax Department, the investment transaction will be cancelled and the amount may be redeemed at the applicable NAV, subject to levy of exit load, if any. Please contact any of the Investor Service Centres / Registrar / Distributors or visit our website, www.barodamf.com, for further details.

2. KYC :

- To simplify KYC norms and make them more investor friendly and uniform across all intermediaries registered with SEBI, SEBI has recently laid down certain changes in the KYC process. The primary objective behind this is to eliminate duplication of KYC across intermediaries in the securities market. For this purpose, KYC registration is being centralized through KYC Registration Agencies ("KRA") registered with SEBI. Thus, each investor has to undergo a uniform KYC process only once in the securities market and the details would be shared with other intermediaries by the KRAs. CDSL Ventures Ltd. ("CVL"), who was retained by mutual funds for centralized registration and record keeping of KYC records, has obtained SEBI registration as a KRA. Further, SEBI has mandated an In Person Verification ("IPV") of clients to be carried out as part of KYC. IPV shall be a one-time process, and once it is carried out by an intermediary, may be relied upon by other intermediaries also. For mutual funds, IPV may be carried out by the AMC or by the Registrar, or by Know Your Distributor ("KYD") compliant distributors who hold valid certifications issued by the National Institute of Securities Market ("NISM") / Association of Mutual Funds in India ("AMFI") for their own clients or by Scheduled Commercial Banks (SCB).

- Under the new uniform KYC norms, the following shall be applicable for investing in the Scheme under this KIM :

- For New Investors who are not KYC compliant under the erstwhile or new KYC norms:

- KYC Application Form to be used, which is attached along with the application.
- IPV/ Document verification to be done by the Registrar/AMC/KYD compliant distributors/SCBs.
- Acknowledgement to be issued to the investor to facilitate subsequent investments from the investor.
- KYC application and necessary documents should either come along with a financial transaction or when the account is opened. This is in line with demat and bank account opening process.

- For New Investors who have already done their KYC with any other SEBI registered intermediary under the new KYC norms: a. Such KYC compliant investors would not be required to do KYC again.

- For Existing Investors in the MF Industry: They will not be required to do KYC again.

- Investors who have completed their Centralised KYC (CKYC) and have obtained KYC Identification Number (KIN) from the Central KYC Records Registry (CKYCR), may quote their KIN while investing.

- KYC compliance with a KRA and enclosing the KYC Acknowledgement along with the Application Form are mandatory for all investors, including individuals, non-individuals, NRIs and channel investors, irrespective of the amount of application/value of transaction. Applicants applying for units through a PoA must ensure that the KYC Acknowledgement of both the issuer of the PoA and the holder of the PoA are enclosed along with the Application Form. The KYC Acknowledgement referred above will be issued by the KRA when an investor submits to the KRA, a KYC application and the prescribed documents. This KYC Acknowledgement is issued by the KRA as a token of having verified the identity and address of the investor(s) and for efficient retrieval of records.

- KYC status will be validated with the records of the KRA before allotting units. The Fund/AMC will not be held responsible and /or liable for rejection of KYC Form by the KRA. Where it is not possible to verify the KYC compliance status of the investor at the time of allotment of units, the Registrar/AMC/Trustee shall verify the KYC compliance status of the investor within a reasonable time after the allotment of units. In the event of non-compliance of KYC requirements, the Trustee /AMC reserves the right to freeze the folio of the investor(s) and effect mandatory redemption of unit holdings of the investors at the applicable NAV, subject to levy of exit load, if any. In case of an investor applying for CKYC effective February 1, 2017, if there is a mismatch in the name appearing in the CKYC application form and the one mentioned in the Proof of Identity (POI) document, CERSAI will reject the CKYC application. Investors are, therefore, advised to ensure that their names appearing in the CKYC application form and in the POI document are same.

- Please note that you need to comply with the KYC requirements by submitting requisite documents to the Registrar/AMC/Fund or any SEBI registered KRA and attaching the KYC Acknowledgement with the Application Form. For more information, please log on to www.cvlindia.com / www.amfiindia.com, before investing.

Applications are liable to be rejected if KYC requirements are not complied with by all the applicants, and if KYC acknowledgement is not enclosed with the Application Form.

Please note that KYC applicability norms for various investor categories may change anytime in future. Hence, with a view to avoiding rejections, investors are requested to apprise themselves about KYC applicability before submitting their transactions.

- A payment towards subscription by cheque /RTGS/NEFT or any mode whatsoever is regarded as a 'Third Party' payment, if the payment is issued from a bank account other than that of the beneficiary investor. In order to safeguard the interests of applicants and avoid fraudulent transactions in any other name, the Fund does not generally accept Third Party Payments. The first applicant has to be one of the joint holders of the bank account from which the payment is made via cheque/Funds transfer/RTGS/NEFT. Therefore, please mention the bank account number, bank name & branch address from where the payment is issued and ensure that they match with details on the payment instrument, where applicable.

- Where the payment instrument does not mention the bank account holder's name(s), please attach bank pass book copy/bank statement (showing the account number, account holder's name and address)/bank letter (mentioning details like bank account number, branch address, account type etc.), with a view to substantiating that the first applicant is one of the joint holders of the bank account concerned.

What is ASBA?

ASBA is an application for subscribing to an NFO, and contains an authorization to block the application money in a bank account.

What is a Self Certified Syndicate Bank (SCSB)?

An SCSB is a banker to an issue which is registered with SEBI and offers the facility of applying through the ASBA process. Please visit www.sebi.gov.in/pmd/scsb.html or www.nseindia.com for the list of currently available SCSBs offering ASBA facility through their designated branches.

Key points with regard to investing through ASBA

1. If you wish to invest using the ASBA facility, please submit the ASBA Application Form at any of the designated branches of an SCSB with which you hold a bank account which is intended to be blocked for the subscription amount and will be mentioned as such in the ASBA Application Form ("Bank Account"). Please check with your bank branch to confirm whether the branch offers ASBA facility. You may submit the ASBA application form physically or electronically. In case you wish to submit the ASBA Application Form in physical mode, you may submit it at any of the designated branches of the SCSB concerned. If, however, you wish to submit the ASBA Application Form in electronic form, you may submit the ASBA Form either through the internet banking facility available with the SCSB concerned, or through any other electronically enabled mechanism for subscribing to the units of the scheme, which authorizes the SCSB concerned to block the subscription money.
